MARCHING BAND PAYMENTS

The cost to participate in Marching Band for 2012 is \$1285.00. This fee helps pay for all marching band and BOA related expenses including camp, meals, transportation and staff. ***Please note that the actual cost of this program is heavily subsidized by the Band Boosters.*** Fundraisers will be made available for students to raise all or part of their fees. Students will also be expected to participate in fundraisers that will go directly to the Band Boosters general fund, i.e. entertainment books.

All payments must be up to date and paid to the Lake Orion Band Boosters, and deadlines must be met prior to attending camp. We are requiring a \$200.00 per student registration fee. **This fee is non-refundable** and will be applied toward the total marching band cost. This registration fee is **due no later than April 15, 2011**, and is required to hold your student's spot with the 2011-2012 Dragon Marching Band. Please refer to the payment schedule for payment deadlines. **Final Payments received or postmarked after Oct. 15 will be assessed a \$50 late fee.** Please keep in mind that monies raised through the available fundraisers will offset your payment amounts, however, the *payment schedule must be adhered to*. Questions relating to your fundraiser profits should be directed to treasurer@lodragons.org.

Checks or money orders should be made payable to **Lake Orion Band Boosters. DO NOT SEND CASH.** The option to pay by credit card is available this year. There will be a 3% processing fee for each payment placed on a credit card. All payments must be mailed with the accompanying forms to the Band Boosters post office box. ***PLEASE DO NOT GIVE PAYMENTS OR CONTRACTS TO THE DIRECTORS.*** We will not be responsible for any money sent into school with your student.

The Band Boosters and LOHS Band Department do not want any student deprived of participating in any band function due to financial difficulty. For those who qualify, financial arrangements may be made by contacting treasurer@lodragons.org.

Please note: NO REFUNDS will be given after July 5, 2011.

All correspondence/payments to be addressed as follows:

**Lake Orion Band Boosters
P.O. Box 93
Lake Orion, MI 48361**

MEDICAL HEALTH FORM

Included in this mailing is a health form, which will be carried on all Marching Band trips this Fall. It must be completed and then signed by a parent or legal guardian. We will also need a copy, front and back, of your student's current insurance card. This health form must be renewed on a yearly basis.

No Signed Health Form = No Camp and No Trips this Season! No Signed Health Form also = no practice, although it will still be mandatory for the student to attend - they will have to sit and watch. If a health form is not on file for a student, their parent(s) will be contacted.

PRE-CAMP REHEARSALS

Pre-Season Full Practice: **All** Marching Band members are *required* to attend the pre-season practice June 20 – 23, at the High School from 1-8 p.m. There will be a dinner break from 4-5 p.m. Students are responsible for their own meals.

Pre-Camp Full Rehearsals: **All** Marching Band members are *required* to attend the pre-camp rehearsals August 15 – August 19, at the High School from 1-8 p.m. There will be a dinner break from 4–5 p.m. Students will be responsible for their own meals.

Wednesday Rehearsals: **All** Marching Band members are *required* to attend Wednesday rehearsals throughout the summer, starting June 29 and ending August 10, at the High School from 1-8 p.m. There will be a dinner break from 4-5 p.m. Students are responsible for their own meals.

Sectionals: Sectionals are **required** for all band members. See your section leader for days and times.

Note: Please let Mr. Steele know in advance if there are any dates you will not be able to attend rehearsal.

2011 LAKE ORION DRAGON MARCHING BAND CAMP

The 2011 Lake Orion Marching Band Camp will be held August 21 – August 27, 2011 (Sunday through Saturday) at Camp Hayo-Went-Ha in Central Lake, Michigan, located near Charlevoix on Torch Lake. All members will learn and perfect marching skills and memorize music and drill moves.

In addition to Lake Orion Band Directors, an expanded staff of qualified instructors will attend the camp to provide individual attention to students in music and marching skills. A large number of parents will also be going along as chaperones.

Facilities include a large dining/rehearsal hall, cabins (with electricity), separate male and female shower and restroom facilities, marching fields, a ropes course and zip line, volleyball and basketball courts and a water sports and beach area.

It is required that all members who intend to perform with the 2011 LOHS Dragon Marching Band attend Band Camp. The dates were made available several weeks ago. This was done so that family vacations and summer jobs could be arranged ahead of time. All members must attend camp because each individual relies upon the next. It takes every member's participation, including alternates, to make the band look and sound its best.

As we have done in the past, we will be transporting all band members to camp by bus. This will serve two purposes – First, it will greatly offset the inflationary costs of transportation. **Parents will then be responsible for transporting their student home.** Where needed, the organizing of car pools is suggested. ***The students will perform the band show for parents and other family members on Saturday before departing camp.*** Secondly, and most important, the marching band camp experience is very memorable, as anyone who has attended before would confirm this. We hope to promote the sharing of something special between student and parent. We trust you will like the idea and call it fondly to mind afterwards.

CAMP CHAPERONES

Band Camp cannot take place without the assistance of parent chaperones. This is a great opportunity for parents to see how the band functions. It is also enjoyable to watch and listen to the band take something from paper and put it into motion on the marching field. Without parent assistance we will not be able to hold camp. Please check your schedule for availability. WE NEED YOU!

Typical Chaperone Responsibilities:

- Ride the bus to camp with the students.
- Make sure students get up in the morning and eat all meals.
- Attend all meals with students.
- Assist in day and evening activities.
- Facilitate harmonious relationships between students in your cabin.
- Make sure students are in bed at "lights out" and stay there. This may include being on "patrol" occasionally.
- Enforce policies established by the Directors.
- Run errands for Directors as needed.

Your help is needed! Please check your schedule, and if you are interested in chaperoning indicate this on your registration form. We are looking forward to a rewarding marching band season.

What's New!

Saturday Meals: On the Saturdays that we have a competition, we feed the band a full meal before they board the bus. This is to ensure they are properly fueled for the day. Each section will be assigned a Saturday to feed the marching band. The menu will be provided, however, the parents of the designated section assigned that day will need to purchase the food, prepare, serve, and clean up. Please save your receipts for reimbursement. Wendy Becker is the person in charge of the menu, paper products, and meeting with the lead person for each Saturday. We started using this format last year with great success.

Your student has the opportunity to perform with one of the top marching bands in Michigan. We scored in the top 5 at State Finals in each of the last 5 years, placing 2nd in 2007 and 2008. This is a huge accomplishment. The students also have the opportunity to work with some of the top music directors and drill instructors in the state. However, there is almost no public funding for the marching band, so a large focus of ours is to raise money to bring down the cost per student. There are fundraising programs to earn money for individual student accounts and the general fund which goes toward all band programs. It takes an immense effort to take 140 students on the road competing for the season. It seems like a big commitment, but this program will build character and confidence in your student like nothing they have ever experienced. The directors cannot accomplish this without the parent support and assistance. There is an incredible amount of talent and skills among the parents, and there are many ways to participate:

Pit Crew * Food – feeding hungry students and staff * Prop Crew (no skills required) * Concessions *
Fundraising Committee * Chaperones * Uniforms * Plume Crew * Communications - Public Relations *
Just show up – we will find something for you!! *

Benefit - At a time when most teens are pushing their parents away, these kids actually *love* to bond with the parent volunteers and really appreciate our presence in their activities.

Bonus - You will meet some of the most amazing parents, creating a bond that will last a lifetime.

Please join us at the next booster meeting and get to know a few band parents that have your student's best interest in mind. The booster meetings are typically at 7:00pm on the 2nd Tuesday of each month in the band room at the high school. The date is always posted on our website calendar.

The Lake Orion Band Boosters website is www.lodragons.org. This is the best place for information, board member contact information, calendar of events, and to sign up for volunteer opportunities through the link to wiki-pages. Feel free to e-mail any board member with questions.

Needed - If you know of anybody who may be willing to donate the use of a 4-wheeler for the pit crew, please let us know.

We are currently looking for a semi truck driver for the upcoming season.

Lake Orion Band Boosters Parent Volunteer Activities

Band Parents/Guardians,

The Band Boosters is offering Baseball Mania Tickets to Marching Band families to help offset the cost of next year's marching band fee. This fundraiser is run like a sweepstakes. ****This fundraiser is for PARENTS ONLY!** We are not allowed to use school property or students to sell the tickets and we cannot mention the school or band name in any promotion of this event. The school board has approved the fundraiser under these conditions. It is completely up to the parent if they want to participate.

The tickets are \$20.00, of which \$14.00 goes to your student's individual account. Each ticket is good for 17 weeks of monetary prizes. For more details go to www.charitymania.com.

The timeline for selling tickets is mid-May. We would like to get a general count of how many tickets to order. We want to make sure everyone gets a chance to participate if they choose. There will be a cost of \$.15 per ticket ordered (not activated) plus a portion of the \$25.00 processing fee. We do not have to activate every ticket. It takes 2 weeks to order the tickets. Once the tickets come in, an email will be sent as to where and when to pick them up. We are looking at the first week of May for pick up and approximately a 2-3 week window to sell them. Once sold, you will be able to drop off the tickets that are to be activated and money (**checks only**) to a designated location (date, time and location TBD).

Right now, I am looking for who wants to participate and approximately how many tickets you would like. Please respond back to Jean Mardeusz at mardeusz3@yahoo.com. I will send an email back acknowledging receipt of your order. If you do not get an email back, I did not get your order. Please respond back by **April 15, 2011** and include the following information:

If the decision is made to remove a student due to an unacceptable uniform, it will be mandatory to have the uniform cleaned (at a specified cleaners determined by the Band Boosters Board) before the next performance at the student's expense. When not in use, the uniform should be hung properly and carefully on the hanger provided. A garment bag will be provided for uniform storage and travel.
